## About OUR COMPANY

### WHO WE ARE?

With the vision of one man and an army of two we established in the year 1980, as "Sethi Arts", which is now one of the topmost battery stickers provider with world-class Machinery and Finishing Services for our esteemed customers.

Being in this industry since three generations we are driven by an intense desire to attain maximum client satisfaction and have implemented customer-oriented approach in our corporation ever since its commencement.

Since our founding, we've worked with numerous clients throughout the area. Great service begins and ends with experienced and friendly professionals, which is why we put so much consideration into selecting only the best to join our team. We complete projects efficiently and on schedule, and go above and beyond to form lasting relationships with our clients.

Owing to our ability to meet the bulk orders within the assured time frame and ethical business practices we have been able to win the trust of our valuable customers in the most efficient manner.

Not to forget! We are the leading chain of printing pan INDIA.

### WHY CHOOSE US?

We know you make world-class batteries which last longer and are safer, efficient and reliable.

But does your customer know it as well? Do they recall your brand every time they see your product?

We make sure they do!

We make sure people know the brand behind the product and realize the features and advantages that make the product worth their investment. We ensure that your brand stands out in the crowd and makes an everlasting impression.
